**2010 OAFM Conference and AGM - Novotel Mississauga May 28, 2010**

OAFM is pleased to announce that Don Drummond, Sr. Vice President and Chief Economist for TD Bank Financial Group, will be our Keynote Speaker at this year's annual conference. We are fortunate to have Mr. Drummond as our keynote speaker as he will be retiring in June to pursue a career in academia.

*The Globe and Mail on March 12, 2010 noted that Mr. Drummond's time at TD Bank as Chief Economist involved him in "quickly building up a profile as one of Bay Street's most influential voices, a sought-after public speaker and a draw for TD's corporate clients." It adds that "He has also managed to wield impressive influence in political circles: his fingerprints are on everything from Ontario's fiscal plans to tax rules in British Columbia and monetary policy in Ottawa." (Globe and Mail, Report on Business, B-1)*

Other sessions planned include: 1) mediating parenting plans and financial issues in tough economic times; 2) an update on case law affecting the practice of family mediation and 3) what mediators should know about recent legislative and administrative changes to family law.

We hope to meet many of you at this year's conference. Please visit the website for updates and additional information related to this year's conference. It will be updated as information is available.

See you in Mississauga!
